

OPTION 1 . Seamless Graphics

Seamless PVC printed graphics which offer uninterrupted graphic display of your shell scheme wall. Your shell scheme will be first lined with flat wall sections which will then be covered with your seamless print. Panel size: Please contact us for exact dimension for setting up artwork.

From **£216.00** +VAT per liner metre
(print ready artwork supplied by client)

OPTION 2 . Individual Infill Panels

Full colour individually printed graphic panels mounted onto 3mm Foamex. These panels will be mounted directly onto the shell scheme walls in-between the aluminium framework allowing the uprights and cross beams to still be visible. Panel size: 948mm wide x 2338mm high.

From **£181.00** +VAT per liner metre
(print ready artwork supplied by client)

OPTION 3 . Roll up Banner Stands

Comes with padded carry case.

Only **£122.00** +VAT each
(print ready artwork supplied by client)
